Subsection 2.12

Nominating Committee

The Nominating Committee will be appointed by the Church Board in November of each year. This will allow the Committee to do a more detailed job which could involve a process involving a survey to more closely match members' interests with church positions (discerning gifts).

All nominees for all elected positions of service shall be contacted to determine willingness to serve before their names are circulated as nominees.

One member shall be a member from the committee the previous year.
