Menno Olympics - Fun events for all ages. The first ever Menno Olympics will be held on Sunday, October 21st. Opening Ceremonies will begin after Sunday School and lunch. Mark your calendars now!!

Planning Meeting Report: Thank you to the number of you who participated in the Sunday School Kickoff BBQ and games and then stayed for the Planning Time.

Many exciting and doable ideas were given—especially by the kids and youth. There is a printed report of these ideas available in the entry way.

Take time to read these and pray about ways that these ideas and you can be used to share Christ at Menno and our community and wherever you are involved.

SPECIAL THANKS to the many persons who volunteered to make this MCA sale touch lives of those who came as well as raise funds to help those in need.

Thanks also to Bethel Mountain Band and Les Gustafson-Zook for adding to our weekend and celebration.

My Coins Count – Guests today are invited to join us for the final My Coins Count coin collection of the year. (Reduce the weight in your purses and wallets for the ride home; share your change and extra bills with My Coins Count when the children come around with their little buckets.) Les Gustafson-Zook will lead us in singing the My Coins Count song while the children gather coins. Gustafson-Zook wrote the catchy song when Penny Power transitioned to My Coins Count.

Total for past three Sundays: \$2,458.56 This amount includes 10% matches from the weekly “winners”, plus a total of \$800 from anonymous donors.

Thank you, Menno, for your generous donations supporting MCC entrepreneurial and water projects in Nepal, Burkina Faso and Ethiopia. During the Children’s Story over the past three Sundays, JR Swinger, Charlotte Hardt and Regan Bonato shared personal experiences which related to each of the projects.

MCC SCHOOL KIT UPDATE: Generous donations of metal pencil sharpeners (120 so far!) are coming to fill in supplies! As you continue to shop for items, please continue with the following list:
