**Sharon Meyer chose these hymns today** because of the faith journey we (and the Miller-Toews family) have been on in the past months. God has been faithful in providing for us and for them in their journey across the border. He is to be praised!! And these hymns reflect our individual faith journeys as well. Though days/seasons may be rough, He is in control and growing each of us in His time.

**A BIG THANK YOU to the youth and sponsors for sharing last Sunday their experiences at convention this year. You all did a great job of sharing.**

**Service Opportunity:** Please plan on staying after church today to help unload the Miller/Toews truck! If today does not work, but would have some time otherwise Monday or Tuesday, get in touch with Bryce at 509-761-9467 and see if there is more to be done. The trailer will be here through at least Tuesday.

**THANK YOU!** To everyone who assisted the Maintenance Committee in readying the parsonage for our new pastors!

**WELCOME POTLUCK** - Sunday, August 4!

Please bring a potluck dish to share following the Miller/Toews first service at Menno on the 4th! Diane Gering has offered to coordinate.

**School Kits are needed by MCC to distribute to children all over the world. The following is the current list for 2019:**

**All NEW items only:**

4 spiral notebooks (8.5 in x 10.5 in and 70 sheets)  
8 new unsharpened pencils  
1 ruler (flat, good quality; must indicate centimeters; inch markings optional)  
12 colored pencils (in packaging)  
1 large eraser  
2 new black or blue ballpoint pens  
1 small ALL METAL pencil sharpener, one or two holes. All metal sharpeners can be found online at Amazon.com or Bazic.com or in the art supply section of retail stores like Staples. Plastic case pencil sharpeners are not accepted because these are poor quality and do not last as long.

As the Camrec Board continues to work on filling the director position, we need to find volunteers to host a full schedule of outside groups in the next couple of months. There is a very helpful manual for volunteer hosts that was put together by an interim staff person earlier this summer, and Emily Goertz can also provide some information on what is involved with hosting a group. Hosts for outside groups are needed for the following dates in August and September:

August 7-11 (Way to Salvation Church):

August 12-14 (Moses Lake HS Choir):

August 16-18 (Sendero Life Center):

August 21-26 (Living Word Bible Church - large group including some camping and porta potties) I suggest more than one person sign up for hosting this group:

Labor Day weekend reserved for WMF

September 5-8 (Sage Hills Church Women's Word): Andy & Royce Joyce

September 13-15 (Ephrata HS Choir):

September 20-22 (No Grass NA):

I will mention that for the August 16-18 group, we have received no confirmation so it's possible that they will not be coming.

Also, it does not look like the full FundRun activity on Labor Day weekend will occur as there is no one planning this. The board talked about the potential for having that as an open weekend for WMF to come together for fellowship and doing some projects around the camp. At a minimum, we would need to have an organized menu to distribute to the churches, and beyond that we could have a very free-form weekend to work and play together. What do you think? Are you interested? Please let Emily Goertz know if you would be interested (and would plan to attend) in that type of weekend.
