--- Answered questions of various topics from Bryce & Emily about how/when some things are done at Menno Church

An opportunity to serve!

The Church Board is looking for someone(s) to do the following items for Harvest Fest, Oct 27, 2019

Food prep, (could be potluck), table setup, and decorations, and cleanup. Contact a board member for more information.

Camrec is in need of plastic grocery bags to use as garbage can liners in the cabins and several other places where we have small trash cans. We are almost out of these and if we don't get more, we'll have to start paying for small garbage bags. Second, we could use a couple of good functional vacuum cleaners, even three if we can get that many. Be nice to have these items by Labor Day weekend. Contact Glenn or Bill for more information.

A note from Gary Jewell

As you probably know the Fun Run weekend at Camrec was canceled this year, but in lieu of that we are still hoping to have a gathering of all WMF churches to come up that weekend for a "work time." Many little details of camp maintenance and care are needing attention (working on the house, clearing away old equipment that doesn't work, trail work, etc.). The Camrec board is also hoping that this can be a time for as much input from as many people as possible regarding the future of the camp (e.g. programming, building projects, general vision, etc.).

I know that some of the churches have advertised this Labor Day time through verbal announcements or written into the Sunday bulletins.

But even so, I'm asking that, for the next couple of weeks, that this opportunity for input be "talked up" as much as possible.

As a member of the board I can say that we are in discussion with one particular candidate for the director position, but that is by no means a sure thing yet. But irregardless of whether this person steps into the position, we are still at a point in the wider MWF when some conversations about the present and future are needed.

Glenn Burkholder is putting together a schedule and meal plan for the weekend.

Also let people know, even if they can only come up for the day on Saturday, that would be o.k.

The Mennonite Country Auction is October 5, not that far off! We are looking for Auction items: hand crafted items, unique items, that adorable puppy, vacation packages, dinners for a group of people, Seahawk tickets and gift baskets.

Items sell better if they are published on our website before the sale. Please email or call in your items to Cleon Claassen at 509-760-3579 or cclaassen@smwireless.net

As the Camrec Board continues to work on filling the director position, we need to find volunteers to host a full schedule of outside groups in the next couple of months. There is a very helpful manual for volunteer hosts that was put together by an interim staff person earlier this summer, and Emily Goertz can also provide some information on what is involved with hosting a group. Hosts for outside groups are needed for the following dates in August and September:

August 21-26 (Living Word Bible Church - large group including some camping and porta potties) I suggest more than one person sign up for hosting this group:

Labor Day weekend reserved for WMF

September 5-8 (Sage Hills Church Women's Word): Andy & Royce Joyce

September 13-15 (Ephrata HS Choir):

September 20-22 (No Grass NA):

School Kits are needed by MCC to distribute to children all over the world. The following is the current list for 2019:

All NEW items only:

4 spiral notebooks (8.5 in x 10.5 in and 70 sheets

8 new unsharpened pencils

1 ruler (flat, good quality; must indicate centimeters; inch markings optional)

12 colored pencils (in packaging)

1 large eraser

2 new black or blue ballpoint pens

1 small ALL METAL pencil sharpener, one or two holes. All metal sharpeners can be found online at Amazon.com, bazicstore.com, or in the art supply section of retail stores like Staples. Plastic case pencil sharpeners are not accepted because these are poor quality and do not last as long.
