Announcements

We are glad to welcome John Roth Director of the Anabaptist Community Bible project and Professor Emeritus of History at Goshen College. Join us in person and online for Education hour for an introduction of the *Anabaptist Community Bible*. You are also welcome to enjoy lunch and fellowship together.

Boxes of donated and discarded books are available on a table near the coffee bar. Pick out what appeals to you and enjoy! Left over items will be donated elsewhere after November 23.

Menno Mennonite Church, a Christian Anabaptist Community, equips believers through relevant Worship and Study, and expresses God's love to others through Stewardship and Service

We are deeply disappointed not to be with you this morning for our celebration. The kids both caught hand foot and mouth disease, something that is currently widespread at Ritzville Grade School. We have been advised to isolate as a family through the middle of the week. We are sorry not to be with you, but we do not want to share this highly transmissible virus. We have been and will be working from home while we do our isolation, and remain available to you, although not in person. We are well and look forward to being with you shortly. Emily and Bryce

It is Directory time again. If you have any changes to your contact information or that of your family, please inform the pastors. A draft directory for review will be available shortly.
