Congregational Prayer

Precious Lord Take My Hand                      Kansas Mennonite Men's Chorus

Sending

L: Dear faithful ones, let us be strong in the Lord, be of good cheer, be comforted.

**C: For our lives and deaths are lodged in the hands of the Lord.**

L: The number of our days are measured by God as handbreadths.

**C: Therefore we need not fear, but may willingly serve each other in time of need.**

L: Do not be afraid to care for the sick, for by this we shall be established in love

**C: And it is the nature of true love to lay down our lives for each other.**

L: A tired laborer desires rest, and an afflicted soul seeks solace;

**C: Deliver us from our hard pilgrimage, and summon us to the eternal, holy Sabbath rest.**

L: Summon us to your tabernacles of peace, where the serpent will no longer bite, nor ache or ill touch us.

**C: Until then, may we serve you with truth, uphold peace, seek that which is good, and watch and pray.**

*All: Amen.*

Praise God from Whom
