**Announcement**

Do you have skills with a sewing machine? If so, you can help provide a safer campus for our students, faculty, and staff by making masks. If sewing isn't your thing, you can donate to the Masks for Threshers fund as well.

Use any CDC pattern for an easy project, or use any simple mask pattern you already have. Masks can be sent to the advancement office at Bethel.

**#BringThePeace**

On the recent anniversary of the ceasefire of the Korean War, Mennonite Church USA joined more than 190 individuals and faith leaders in signing a statement committing to searching for reconciliation in the name of Christ in this still-unresolved conflict.
