Benediction

Fall is upon us, and our attention turns to pumpkin everything, including pumpkin carving. Join us for pumpkin carving/painting on Sunday, October 18, starting around 11:45 a.m. Please bring a picnic lunch for after the service (you may also want to have a blanket/chairs to be able to spread out to eat), along with your own pumpkin carving or painting supplies; also bring a bag or container if you wish to keep your seeds to roast at home. Pumpkins and an afternoon snack will be provided. Prizes will be awarded in the categories of scariest, funniest, most creative, and painted. Lunch and pumpkin carving will occur outside, so please dress for the weather. Masks will be required to be worn, and tables will be placed to allow for physical distancing between family groups. Contact the CE Committee (Donna or Sharon) with questions.

Harvest Fest this year will be on November 2 featuring Peter Stucky as speaker. Peter, pastor of Teausaquillo Mennonite Church in Bogota Colombia, and long time leader in Mennonite World Conference will share with us around the Colombian Church's experience of the harvest of the Spirit. *The board has decided to forego a meal this year given the restraints that would need to be in place.*
