Benediction

A special congregational meeting by the Deacons for next Sunday November 22 with a vote to confirm the calling of Emily Toews as co-pastor for Menno, re-affirming the intention first expressed when Bryce and Emily were called in 2019. This is a necessary step to formalize the calling under the R class visa requirements. The meeting will be directly following the church service on the 22nd.

A document detailing both the reasons for the voting and the way that shared ministry is meant take shape can be found in your mailboxes as well as on email.

You are invited to join Menno Women in Mission in displaying your quilts in the Fellowship Hall, both bed-sized and wall quilts, throughout the winter. The display will be updated as additional quilts are shared. Contact Sharon Meyer or Katherine Swinger for more information.

The Ritzville Food Bank Christmas boxes are being provided again this year. Last year more than 160 were distributed. We can anticipate more this year. A basket is at the rear of the hall for collections of donations toward this. Also designate mailed donations as you see fit.
