Benediction

**A special congregational business meeting will follow the service.** You are asked to remain to conduct the business of discerning the call issued to Emily as co-pastor pursuant to the requirements of the R class work visa she has been granted.

**You are invited to begin prayerfully considering nominations for Deacon.** Nomination ballots will be distributed December 6 and directly by mail to active members. *All members are welcome to vote by requesting a nomination ballot.*

**Menno Women in Mission is once again participating with SERVE Moses Lake to fill material needs of those less fortunate in our community.** Wednesday MWiM delivered 24 pairs of Thinsulate ski gloves to the Moses Lake office. Director Brandon LaBonte expressed his gratitude, and then challenged us to assist with another immediate need: donating towels and wash cloths, new or clean and gently used, matching or not matching sets. MWiM invites the Menno congregation to join with us in collecting towels and wash cloths. Can we do thirty? Forty? Fifty? Please place towels in the green plastic tote labeled TOWELS for SERVE located in the hallway. Thanks!

**The Ritzville Food Bank Christmas boxes** are being provided again this year. Last year more than 160 boxes were distributed. We can anticipate more this year. A basket is at the rear of the hall for collections of donations toward this. Also designate mailed or online donations as you see fit. Any monies over and above the needs to meet our request will be donated directly to the food bank.

Offerings can be made online at [mennomenonite.org/donate](https://mennomenonite.org/donate) or by mail to Meno.
