Confession and Words of Assurance (On Screen)

Response Ritual – Please come forward as family groups and pick up a stone. Feel free to have some centering time in the ways that make sense for you.

For Consideration:

- What is the role of anger for you? Where does it inspire you? Where does it bother you?
- How is Jesus inviting you into the fuller experience of life, including anger?

Benediction

You are invited to use your collection of stones within worship. For in-person worship, please add your stones to the display at the front. There are plenty of stones available here for your use as well. At home, simply collect them in a bowl, a display, or some such to collect from.

Your Feedback is welcome as we move toward returning to Sanctuary based worship. The board has set the goal of returning to the sanctuary in the April time frame. As with so much of this moment there are many moving parts and considerations. Your reflection, ideas and prayer are appreciated.
