Menno Mennonite Church, a Christian Anabaptist Community, equips believers through relevant Worship and Study, and expresses God's love to others through Stewardship and Service.

You are invited to use your collection of stones within worship. There are plenty of stones available here for your use as well. At home, simply collect them in a bowl, a display, or some such to collect from.

Your Feedback is welcome as we move toward returning to Sanctuary based worship. The board has set the goal of returning to the sanctuary in the April time frame, with rapid progress being made. As with so much of this moment there are many moving parts and considerations. Your reflection, ideas and prayer are appreciated.

An update to the policy book is available on the media table. Take a single set and replace the relevant pages in your copy.

Camrec needs you! As we look into the summer, we are optimistic that a summer program is doable in some form. But what form? Camrec needs to hear from as many people as possible-- campers, parents, volunteers, staff members-- to help shape a summer program that will work for as many as possible. We have a survey at <https://forms.gle/tDE58dRU37Xw4YKn9>, or ask Bryce to email a link. We are wondering what people may be interested in and willing to support. Your responses will help shape the summer. If a form is not your style, feel free to email director@camrec.org. Thank you in advance for your thoughts.
