## Announcements:

**A note about our bulletins:** Last year in connection with general cost cutting and pandemic response, Menno Media discontinued publishing the color bulletin covers we are accustomed at the end of the third quarter. We have not used the stock we have on hand and are now beginning to work with what we have from that timeframe. Sometimes the themes match well from year-to-year other times they do not (like this week). We will make efforts to at least have it make sense, but it may or may not always work.

The plan right now is to use what we have as long as it is serviceable, and then redesign from there. Our stock on hand will likely last about 6 months. Please bear this in mind as you enjoy the images from week to week. Suggestions for new designs and methods are welcome.

**Mennonite Church USA (MC USA) has announced its worship plans for [MennoCon21](#)**, including a new morning Bible study and five evening worship services centered on the theme, [#BringThePeace](#). The Bible study and worship services will be available in real time to both online and in-person attendees of the denomination's first hybrid convention, hosted in Cincinnati, Ohio, July 6-10, 2021. [Registration for all opens April 6](#). See <https://convention.mennoniteusa.org/> for more information.
