*Menno Mennonite Church, a Christian Anabaptist Community, equips believers through relevant Worship and Study, and expresses God's love to others through Stewardship and Service.*

**Thank you** to my church family for the prayers, phone calls and encouragement following the death of my brother and my bout with Covid. I appreciate each of you. Stan Meyer

**The Ritzville Ministerial Christmas Food Box** program is on again this year. Please find a basket on the lobby table for donations which will directly fund this need. Today is the final day to fund this project.

**The Menno Women in Mission group is once again supporting the mission of SERVE ML.** We invite you to join us in this project. SERVE ML has identified several immediate needs – new men's winter boots, winter gloves and hand warmers. (No socks are needed at this time.) You may place donations in the large green tote in the entryway. MWIM is in the process of purchasing boots, taking advantage of Black Friday sales and other online sales. You may donate money directly to MWIM if you would like to assist in the purchase of boots. Make checks to Menno Women in Mission and give to Regan Bonato, or place it in her mailbox.

**The MDS Okanogan Project needs a driver in December.** 3-4 persons will be driving vehicles from California to pre-position them at the project site in Okanogan. They need transportation from Okanogan to either the Spokane or Wenatchee airport. The precise schedule has not been finalized, but it will likely be prior to the week of the 21<sup>st</sup>. If you may have availability to help with this, please let Bryce or Emily know so we can connect you the project managers.

**Consider supporting MCC through Gifts of Comfort and Joy,** the 2021 Christmas giving guide. These gifts are not stuck in the supply chain back up, nor made of plastic or other non-renewable resources. Choose a gift that changes lives, like clean water, stocking a fish pond, mosquito nets, sewing machines and books for young readers.
