## **Announcements and Coming Events:**

I would like to thank those who came to my birthday party, those who sent birthday cards, and those who called me wishing me happy birthday. Also thanks to Diane and her crew for the meal, the music team for leading the songs during the worship service, and to Sally, Ken, Sharla, and Bill for putting it all together. --Marge Dyck

I would like to thank all those who thought about me, those who prayed for me, and for those that gave words of encouragement during my cochlear implant process. While I have several more months of adjusting to the new sounds, but most important, I can hear again in my left ear. Thanks --Bill Dyck
