## Greetings from Camp Camrec!

It has been a busy year at Camrec and we have a great deal to share. First off, this year's summer camps were well received as our youth explored this year's theme "Because Jesus..." We give thanks for the efforts of our volunteers and Pastors that made it possible. After a busy summer camp staff is now working hard to prepare for the winter season. Part of that effort is our upcoming Fall work weekend scheduled for October 28-30. This annual event is a great opportunity for service and fellowship, we hope you can join us. We have a range of work projects planned for all skill levels and all are welcome. Registration is open on the website. This year's work weekend menu is family style, the menu is posted on the registration page and attendees are invited to bring ingredients to contribute to the common pot.

Next up is our youth Snow Camp scheduled for December 29 - January 1 2023. This year's event is open to grades 7-12 and includes 2022 grads. Brisa has an exciting event planned as we renew this valuable tradition. A [Snow Camp flyer](#) is available and registration will be open soon at [camrec.org](http://camrec.org).

It is an exciting time at Camrec, we thank you for your support and ask for your prayers as we continue our work connecting our communities, creation and our Creator.
