Benediction

We are glad to have Jon Gering with us today in his role as President of Bethel College. All are welcome to stay for education hour for news and sharing from the college.

Thank you for donating items for the Serve Moses Lake hygiene kits that are given to the homeless population in the Basin. The staff at Serve ML gratefully accepted the tote full of items we delivered last week. We have decided to make this an ongoing project, so as you travel and accumulate toiletries, or purchase travel-sized items, please leave them in the green tote in the entryway; when the tote fills up again, we will deliver to Serve. --Menno Women in Mission
