Please let the pastors know if that is something you would like to celebrate. All are welcome to attend.

MDS Washington: Plans for Okanogan

We are planning to return to the area to work on the last 2 houses during the weeks of May 21 and 28. We will primarily be working on the Ames' house doing finishing work and on the Felix's house where we will be looking for folks who would be willing to work on the roof as well as getting ready for exterior paint and decking. MDS will provide food and accommodations, once again at the Cariboo. A cook is still needed!

All skill levels are welcomed and tools will be provided. The finishing work does not require a lot of skill but are meaningful work tasks that need to be done before the homeowner can move in. Our unit is committed to guide your helping hands. Please contact MDS or the pastors if you would like to serve.

CAMREC Announcements

Birds, Bikes & Blossoms (June 2-4): While nature is bursting in colors and vibrant life, fellowship through activities focused on: Nature: Enjoy hiking, bird watching, exploring wildflowers, taking pictures, and doing arts & crafts. Biking: Explore the mountains, rivers, lakes, forests, and backroads of the Cascade foothills surrounding Camp CAMREC all while riding your bike!

Summer Youth Camp: Register campers online and invite your friends and neighbors to do the same! We have discounts for the Early Birds, First Timers, and those that bring their friends. We also have scholarships! Learn about and sign up for staff and volunteer positions [here](#).

Progress on the new facilities manager house at Camp CAMREC has continued late winter and presses on. We estimate that we will need \$50,000 to complete the work. This assumes that volunteers will provide labor for remaining tasks. To date we have covered all costs through donations and a \$75,000 loan from our endowment fund. So, fundraising must continue, and volunteers need to show up. Please consider how you can assist us in finishing the final stretch of this project.
